### Notes:

Data are the latest available at the date the profile was prepared. A period means the data is not available. SAT scores use the 1600 scoring system and represent county systems. Unemployment data is now the latest month which is preliminary and is subject to change. US Education IPEDs data for Completions and Enrollment is at least Provisional and updated when Final. Census' American Community Survey (ACS) data are estimates, noted 'Est' and are from the 5-year survey; data is as of final year with dollars inflated to final year. Per capita income is a broad measure of income spread over all residents. Worker earnings includes wage income for residents regardless of where they work. Private sector wages are paid by local employers to their employees regardless of where they live. Additional data resources are available at: <https://d4.nccommerce.com/>.
